Recently updated. Sofa futon folds down into a bed

Pool area

Large wrap-around lanai.

TV and storage area

Dressing area with entrance from kitchen and bedroom

Located in the heart of Waikiki, condo is just 2 blocks from the beach. Built in the days before high-rise towers, the Hawaiian King is a secure 5-floor building surrounding a lovely salt water pool and garden area. You'll find lounges, a barbeque, patio tables and chairs - an atmosphere of aloha that's hard to find in bustling Waikiki. The building has an elevator, but some units are just up a flight of stairs.
